

South Whidbey COMMONS

Help Build a Pathway Connecting Our Community...

Personalize a brick paver for yourself... your family... as a memorial tribute... or as a lasting gift.

As new property owners in the heart of Langley, the South Whidbey Commons is building a strong foundation for a vibrant community gathering place for all generations.

Now that roof repairs are underway, it's time to landscape with beautiful gardens, open grassy areas and a brick pathway.

To raise funds for the project, the Commons is offering personalized, engraved bricks in two sizes. These lasting tributes are perfect as memorial gifts, as a way to honor family and friends, and for birthdays, anniversaries, and thank-you's.

■ For a \$50 donation have two lines (20 characters/spaces per line) engraved on a 4.5"H x 8.75"W brick paver.

■ A \$100 donation places up to four lines of text (80 characters/spaces - 20 per line) on a square 8.75"W x 8.75"H brick paver.

■ A \$200 donation, enables your business or personal design to be engraved on the 8.75"W x 8.75"H brick paver.

Engravings are fired and sealed for lasting protection against the elements.

This is a limited opportunity, so please place your order for these engraved pavers on the enclosed order form today. Thank you!
